

Vancouver Rabbit Rescue and Advocacy

Design Focus

Streamline the adoption process for potential adopters and the adoption coordination team.

Research Methods

- Social media and website analysis
- Interview with organization representative
- Interview with an adoptee (Nicky)

Types of Data

We had a meeting with Jillian Lee via Zoom, and she provided internal materials of the group:

- Verbal information
- Written documents

Thematic analysis

- Forms are outdated
- Lengthy adoption process
- Educational issue/perception
- Tension between wanting people to adopt rabbits but ensuring they are qualified

THE ADOPTION PROCESS
